

MR WILLIS'S READING GROUP

MONDAY 11TH AND TUESDAY 12TH MAY 2020

IT'S IN THE INSTRUCTIONS!

From a book you have just read, select either an important object or creature and create a user manual or a guide explaining how to care for it.

Ensure you use any important information learnt from the book, as well as any other information you consider to be important.

If you are writing a user manual for an object remember to focus on how to use the object correctly and how to take care of it.

If you are writing a user guide for an animal or creature focus on keeping it alive and healthy as well as information that explains how to keep it happy and under control if necessary.

For example, if you have started reading 'Who Let the Gods out', you could write an instruction manual for one of the gods and how their powers work, or instructions for Charon riding his boat across the river Styx...

You can present your instructions however you like - as a poster, a leaflet, video instructions/demonstration, PowerPoint presentation...
