17th May 2020

Dear Kingfisher Class, 😊

We are writing to you to say a big hello and to let you how much we are missing you all. It feels very strange not to go into school and see all your smiling faces, but we are very proud of how hard you are working from home. We hope you have enjoyed spending time in the sunshine as well as doing lots of other fun activities. Like you, we have also been working very hard from home, planning and resourcing work for you to complete and spending lots of time looking at and commenting on all the fabulous pieces of work you have sent on Dojo. Every two weeks we have been into school, to look after some of the children who are still there, some of you may have seen us.

Whilst Mrs Pittarello has been away from school, she has been very busy painting her house. In her garden, she has been trying to grow some vegetables. When she isn't completing school work she is also helping her two boys with their home learning.

During her time at home, Mrs Price has been very busy helping William with his school work and trying to stop Iris getting into too much trouble! So far she has had lots of fun making cakes, growing sunflowers, painting, going for walks and bike rides, watching films and of course eating chocolate! As well as this, she has been using Facetime to keep in touch with all her family and friends too.

Miss Thompson been for lots of walks and even went to visit the duck pond! As well as this, she has been doing lots of reading and cooking Greek food for her son's school project.

Staying at home has given us lots of time enjoy being with our families and learn some new skills. What have you all been up to while school has been closed? What has been the best thing you have done during lockdown? What have you really missed?

We hope you've been keeping busy and are enjoying the work we've been setting for your Home Learning. We have really loved seeing pictures of your work on Class Dojo and email. We are so proud of the work you have all been doing. It really does put a smile on our faces. We really are looking forward to seeing you again, hopefully in the not too distant future.

Take care and stay safe,

Mrs Price and Mrs Pittarello
