<u>Plan for Individual Pupil Self-Isolation - Year 2</u>

The key areas you can practise with your child are detailed below along with a few topical ideas. Many of these websites have offered a variety of subscriptions during the lockdown period and some links may expire over time, if you have any problems please choose an alternative activity.

Mathe skille	We have a subscription to white rose
	https://whiterosemaths.com/homelearning/year-2/
	The website provides a comprehensive video,
	powerpoint and activity to complete on a worksheet -
	focus on the number skills, addition and subtraction
	from the Summer Term archived area of the website -
	this is still relevant to the children.
	If you would like to vary your maths then please try
	some of the online games on: www.topmarksco.uk
	Or perhaps have a go at one of the activities on the
	"Maths practical homework grid"
Reading	Please choose a book of your choice from home to
	read at least 15 minutes per day. Or have a look on
	the below website for a range of books in their digital
	archive – it only takes minutes to create a free
	account:
	https://www.oxfordowl.co.uk/for-home/find-a-book/library- page/
Grammar	Please choose one of the skills to practise each day.
	There are some fun videos and activities to help
	learn about different grammar rules and word
	groups.

	https://www.bbc.co.uk/bitesize/topics/zrqqtfr
Spelling	Oxford owl has a great website which breaks down
	all the key year 2 spelling rules. Pick one to practise
	through the week - repetition is key for embedding
	spelling learning!
	https://home.oxfordowl.co.uk/english/primary-spelling/spelling-year- 2-age-6-7/
Topic	Please see the Whole school topic grid - choose a
	country and make a mini project undertaking your
	own research and completing some of the suggested
	activities on the grid. This can be done alone, or with
	siblings who are also in isolation.
